The Archdiocese of Santa Fe entered into Chapter 11 Reorganization during the first week of December 2018. The utmost concern is for the victims of abuse. Our prayers are with them. The Annual Catholic Appeal Foundation is not part of the Chapter 11 filing. ACA is separately incorporated and funding is not available for legal claims. ACA remains a significant source of funding for the ministries and services of the Archdiocese of Santa Fe throughout this process and beyond. Christ's loving work must endure through this. Thank you for continuing to support these efforts.

Easter Sunday

There are many stones in our paths that keep us from truly living and being free. Some of these boulders have been there for a very long time. They have been there so long that they have even settled into the soil of our lives with other weeds, vines, and compacted soil keeping them firmly in place. We find them hard to move and trying to do so can be exhausting. What are these suffocating albatrosses that keep us so tethered and immobile? They are many things.

They are past childhood wounds and hurts that stem from disappointment, rejection, or abuse. People may have told us we were unwanted, that the world is frightening, that there are only some acceptable feelings you can have and others you cannot. We may have tried to love someone or struggled to figure out how and were met with rejection. Maybe we trusted someone completely and were betrayed. We come to life collecting barnacles that begin to attach to other barnacles and before you know it, we have a mass of solid matter blocking our vision and keeping us from moving. We live in fear. We are afraid of losing what we have, afraid that the future will be empty, afraid that we won't succeed and even more afraid that we will not be loved. There is so much fear. Didn't Jesus tell us not to worry and to not be afraid? Either we believe in the message of Easter, or we don't!

Go confidently into the night. Walking with God you will find the light and strength you need. Often without even knowing, God will move those boulders and stumbling blocks that bind us and, with putting one foot in front of the other and looking forward, we will move. The resurrection of Christ is really all about receiving the gifts of trust and faith and doing new things. The rocks that bind us keep us spinning the same wheels and doing the same things. When was the last time you threw caution to the wind and actually did something totally out of character and different? This is where we find God, in the spontaneous, the adventurous, the fun, and the creative choices we make! God is not boring and stuck. God is exciting and engaging. Jesus Christ is risen from the dead! Find a way to trust that this is true and live.

Question:

What are the "fruits" of holy Communion?

Answer:

The Eucharist, like all sacraments, offers its own unique grace. We receive a special share in God's life that helps us in our faith journey. We are given all we need to sustain and nurture our relationship with God. The Eucharist is the source and summit of the Christian life. Everything we are and everything we hope to become is found in this sacrament. It is essential to the life of the church, to each member of the church. Without it, there is no church. The Eucharist is the center of our spiritual life and has enormous effects on our growth, our holiness, and our way of life.

The fruits of holy Communion are the benefits one receives from the sacrament. These fruits of holy Communion are discussed in the catechism in the article on the Eucharist. The primary benefit is union with Christ. We become one with him sacramentally, just as we hope to become one with him for eternity. The Eucharist also separates us from sin, both past and future. It forgives the venial sins of the past and, by the love we receive, protects us from mortal sin in the future. The church community is also unified and strengthened by the Eucharist. It unites us to the poor and offers the pledge of eternal life.

"Like us, Christ entered the world through the womb of a woman. He willingly experienced the fullness of human suffering. He breathed his last on the Cross at Calvary in order that He might save us. Therefore, 'God is the foundation of hope: not any god, but the God who has a human face and who has loved us to the end'."

"Tal como nosotros, Cristo entró en el mundo por mediación del vientre de una mujer. Él voluntariamente asumió la plenitud del sufrimiento humano. Exhaló su último suspiro en la cruz del Calvario para poder salvarnos. Por lo tanto, "Dios es el fundamento de la Esperanza; pero no cualquier dios, sino el Dios que tiene un rostro humano y que nos ha amado hasta el extremo"."
